Personalized Coaching Program with Steve Barkley: Now Self-Paced!

A special offering of the NESA Networked Learning Series

NEAR EAST SOUTH ASIA
COUNCIL OF OVERSEAS SCHOOLS

A BESPOKE ONLINE DISTANCE LEARNING PROGRAM

We recognize the unique challenges and opportunities instructional coaches, administrators, teacher leaders and mentors are presented with at this time as they seek to support their colleagues. To help take your skills to the next level, we are pleased to offer an online, facilitated, personally coached, self-paced program with NESA.

Join Steve for a unique opportunity to design a study that looks at an area of coaching or specific coaching skills that you wish to enhance. In this program you will engage in three one-on-one coaching conferences with Steve where he'll provide you with resources selected specifically to address your chosen area of focus. You'll also work through your ideal Instructional coaching module with a dedicated facilitator. And you'll have access resources and connect with colleagues facing similar challenges.

To give more instructional coaches, administrators, teacher leaders and mentors the chance to experience this truly personalized, new approach to learning, we are excited to offer the program in a self-paced format that you can complete in 8 weeks. This program is available to educators worldwide.

We hope you'll take advantage of this unique opportunity. Here is some feedback from past participants:

- *"Getting to talk with Steve about how to begin this new role in the era of COVID-19 was invaluable. Our calls were also personalized, which I appreciated."*
- *"The course provided time for reflection on my own skills and areas of growth as a coach and how to best support colleagues."*
- *"I am entering the coaching profession with a TON of useful ideas and practices I can utilize regardless of context or how I am serving."*

About NESA:

The Near East South Asia Council of Overseas Schools is a non-profit association of more than 100 private, independent American/international schools serving students and their families in North Africa, the Middle East and South Asia. For 50 years we have focused on promoting exemplary professional learning opportunities for educators working in our schools – in service of improved student learning.

Currently NESA includes 40+ 'member' schools plus over 130 'affiliate' schools and organizations in an area stretching from Egypt and Greece to India, Nepal, Bangladesh and Sri Lanka. For more information, visit: https://www.nesacenter.org/
